CONCH CAPE COD

good times with good friends on the lower cape

2010 – 2011 CALENDAR & ACTIVITY GUIDE

CONCH Cape Cod is a group of over 400 friendly and active people who live in Chatham, Harwich and adjacent communities. We gather year-round to develop friendships, and enjoy social activities, sports, games and other outdoor and indoor activities. We welcome all Lower Cape residents who are interested in the activities and friendships they will find by joining our group.

General Meetings are held five times a year at the Harwich Community Center and feature speakers on topics of interest. Yearly dues are \$10 per person. Activities include bowling, book clubs, bridge, day travel, in-home dining, golf, singles, breakfast club, tai chi, woman's gourmet group, and many others. Events include luncheons, buffets and dinners, a welcoming cocktail party, and a theater party.

Come to our September meeting or any meeting throughout the year, and our greeters will introduce you to CONCH members and give you information about our activities. Mail in the application that's included with this brochure, or contact membership director Jeff Hahner at 945-9962, or by email at membership@conchcapecod.com.

We invite you to join our club and enjoy the activities and friendships of life on the Cape!
